

DEIDRE LEAVER-DUNN, LAT, ATC

600 Fair Oaks Lane

Tuscaloosa Alabama 35406

205.348.9176 (O) 205.532.1090 (C) 205.750.0838 (H) dldatep@gmail.com

• PROFESSIONAL EXPERIENCE •

The University of Alabama

1998-present

Tuscaloosa AL

Associate Professor, Director - Athletic Training Program

Coordination of all activities within the CAATE-accredited athletic training education program.

Ten years of continuing accreditation granted in March 2008. Charter Junior Investigator at the University's Institute for Rural Health Research. Assistant Professor 1998-2003.

DCH SportsMedicine

1997- 2002

Northport AL

Certified Athletic Trainer - Provision of outreach athletic training services to

Stillman College (NCAA Division III), local high schools, junior high schools,

junior colleges, and The University of Alabama Rugby Football Club on a per diem basis.

DCH SportsMedicine

1995-1997

Northport AL

Research Assistant - Assistance with external funding proposals and research endeavors. Development of a continuing education course in athletic emergency medicine for certified athletic trainers and paramedics. Development of an instructional workbook for Therapeutic Modalities. Development of an injury prevention, evaluation, and management course for parents and youth sports coaches. Provision of outreach athletic training services on a per diem basis.

The University of Alabama

1994-1998

Tuscaloosa AL

Part-Time Instructor, Graduate Research/Teaching Assistant - Instructor, coordinator, or lecturer for classes within the CAAHEP-accredited undergraduate athletic training education program. Preparation of the Self-Study document for the CAAHEP accreditation review. Assistance with external funding proposals and research endeavors.

The University of Alabama

1994

Tuscaloosa AL

Part-Time Instructor, Area of Professional Studies - Instruction of psychomotor skills to undergraduate students preparing for application to the Athletic Training Education Program.

DCH SportsMedicine

1993-1995

Northport AL

Certified Athletic Trainer - Provision of outreach athletic training services to one high school and its two feeder junior high schools. Seasonal coverage of additional athletic events. Assistance with rehabilitation of outpatient orthopaedic physical therapy patients as requested.

Upstate Therapy Services, Inc.

Greenville SC

1990-1993

Coordinator of Sports Medicine, Certified Athletic Trainer - Coordination of all clinic and outreach athletic training services. Primary outreach responsibilities for one high school and a professional basketball team. Rehabilitation of patients in an active outpatient orthopaedic physical therapy clinic.

• EDUCATION •

The University of Alabama

Tuscaloosa AL

May 1998

Doctor of Philosophy (joint program in Health Education and Health Promotion at The University of Alabama and The University of Alabama-Birmingham)
Dissertation title: The Influence of Subjective Norms on Adolescent Males' Alcohol, Cigarette, and Marijuana Use and Adoption Intentions

University of Virginia

Charlottesville VA

August 1990

Master of Education (National Athletic Trainers' Association-Approved Graduate Curriculum)

East Carolina University

Greenville NC

May 1989

Bachelor of Science (National Athletic Trainers' Association-Approved Undergraduate Curriculum)

University of Georgia

Athens GA

1984-1985

• COURSES TAUGHT •

The University of Alabama, Tuscaloosa AL

HAT 257/ATR 257 Introduction to Athletic Training (3 semester hours) The study of current principles in the prevention; clinical evaluation and diagnosis; immediate care; and treatment, rehabilitation and reconditioning of injuries and illnesses. (*taught first summer session 1999-2007 & 2009-2010 and in online format fall and spring semesters 2005-2007, 2009-2012*)

HAT 258/ATR 258 Clinical in Athletic Training/Clinical Fundamentals in Athletic Training (1 semester hour) The study and practice of clinical skills in the prevention; clinical evaluation and diagnosis; immediate care and treatment; and rehabilitation and reconditioning of injuries and illnesses. Directed observations under the guidance of BOC Certified Athletic Trainers. (*team taught 1 X 1.25 hour lab spring semester 1999-2014*)

HAT 300 Topics in Athletic Training (4 semester hours) Study and discussion of topics related to the prevention; clinical evaluation and diagnosis; immediate care; and treatment, rehabilitation and reconditioning of injuries and illnesses. Introduction to the organization and administration of athletic training programs. *(taught 1 X 2h lab fall semester 2006)*

HAT 357/ATR 357 Clinical Evaluation and Diagnosis I (4 semester hours) Study of the *lower* extremity as it relates to the prevention; clinical evaluation and diagnosis; immediate care; and treatment, rehabilitation and reconditioning of injuries and illnesses. *(taught lecture and 1 X 2h lab spring semester 1998-2004, 1X2 hour lab spring semester 2005)*

HAT 358/ATR 358 Clinical Evaluation and Diagnosis II (4 semester hours) Study of the *upper* extremity as it relates to the prevention; clinical evaluation and diagnosis; immediate care; and treatment, rehabilitation and reconditioning of injuries and illnesses. *(taught lecture and 1X 2 hour lab fall semester 1999-2003)*

HAT 359 Practicum In Athletic Training (3 semester hours) Directed practicum in the professions of athletic training and sports medicine under the direct supervision of certified or licensed medical and allied health professionals. *(taught first summer session 1999-2010)*

HAT 360/ATR 360 Clinical Evaluation and Diagnosis III (4 semester hours/3 semester hours) Study of the head, neck, face, lumbar and thoracic spines, thorax and abdomen as they relate to the prevention; clinical evaluation and diagnosis; immediate care and treatment; and rehabilitation and reconditioning of injuries and illnesses. *(taught lecture and 2X2 hour labs spring semester 2003-2011& 2013-2014, taught lecture & 1X2 hour lab spring semester 2012)*

ATR 410 Integration of Clinical Skills in Athletic Training III (1 semester hour) Acquisition, evaluation, synthesis and application of clinical skills in the prevention; clinical evaluation and diagnosis; immediate care and treatment; and rehabilitation and reconditioning of injuries and illnesses with an emphasis on the upper extremity and the use of therapeutic modalities in the comprehensive patient care plan. Clinical experiences under the direct supervision of credentialed health care professionals. *(taught fall semester 2010-2014)*

ATR 420 Integration of Clinical Skills in Athletic Training IV (1 semester hour) Acquisition, evaluation, synthesis and application of clinical skills in the prevention; clinical evaluation and diagnosis; immediate care and treatment; and rehabilitation and reconditioning of injuries and illnesses with an emphasis on the head, neck, face, thorax, abdomen and spine and the use of therapeutic exercises in the comprehensive patient care plan. Clinical experiences under the direct supervision of credentialed health care professionals. *(taught spring semester 2011-2012)*

ATR 430 Integration of Clinical Skills in Athletic Training V (1 semester hour) Acquisition, evaluation, synthesis and application of clinical skills in the prevention; clinical evaluation and diagnosis; immediate care and treatment; and rehabilitation and reconditioning of injuries and illnesses with an emphasis on acute and chronic medical conditions and their pharmacologic management within a well-organized athletic training program. Clinical experiences under the direct supervision of credentialed health care professionals. *(taught fall semester 2011-2013)*

ATR 453 Applied Clinical and Research Skills in Athletic Training (3 semester hours) Acquisition, evaluation, synthesis and application of clinical, research and teaching skills in athletic training with an emphasis on clinical question development and the incorporation of evidence based practice in resolving clinical questions and developing and implementing patient care plans. Clinical experiences under the direct supervision of allied medical and medical professionals in a range of patient care settings. *(taught first summer session 2011-2013)*

HAT 455/ATR 455 Pharmacology and Pathology in Athletic Training (3 semester hours) The study of acute and chronic illnesses and their response to, and impact on, physical activity. Discussion of

pharmacologic agents used to manage these acute and chronic illnesses and medical conditions. (*taught interim term 2000, spring semester 2002, and fall semester 2003-2008*)

HAT 456 Rehabilitation Techniques in Athletic Training (4 semester hours) Methods, theories, and techniques in the rehabilitation of injuries to athletes and others engaged in physical activity. The evaluation of injuries relative to rehabilitation. (*taught 1X2 hour lab spring semester 1999-2004*)

HAT 457/ATR 457 Therapeutic Modalities in Athletic Training (4 semester hours/3 semester hours) Current theories, methods, and techniques in the application of therapeutic modalities during the treatment and rehabilitation and reconditioning of injuries. The clinical evaluation and diagnosis of injuries relative to therapeutic modalities. (*taught lecture and 1X2 hour lab fall 1998-2013*)

HAT 458/ATR 458 Seminar in Athletic Training (3 semester hours) Discussion of current issues in athletic training with an emphasis on research and the application of current research to the practice of athletic training. Writing proficiency is required for a passing grade in this course. Such proficiency includes the ability to write coherent, logical and carefully edited prose. (*taught fall semester 2003-2004, spring semester 2006-2014*)

HAT 488/ATR 488 Internship in Athletic Training (1-12 semester hours) Directed internship in a health care facility for the senior athletic training student. (*taught fall and spring semesters 2007-2012*)

HAT 496/ATR 496 Independent Study in Athletic Training (1-12 semester hours) Individualized didactic and clinical experiences focusing on specific domains within the scope of practice of athletic training. (*taught fall and spring semesters 2007-2012*)

HAT 554/ATR 554 Advanced Clinical Evaluation & Diagnosis (3 semester hours) Advanced evaluation of the structure and function of soft tissues and articulations. (*taught second summer session 2007-2013*)

HAT 555/ATR 555 Pharmacology in Athletic Training (3 semester hours) The study of pharmacologic agents used to manage common acute and chronic illnesses and medical conditions. (*taught interim term 2000, spring semester 2002, and in online format spring semester 2005-2014*)

HAT 556/ATR 556 Rehabilitation Techniques: Manual Therapy (3 semester hours) Focus on the acquisition and application of clinical skills in manual therapy with emphasis on the integration of manual therapy into the overall treatment plan. (*taught second summer session 2006-2013*)

HAT 557/ATR 557 Therapeutic Modalities: Evidence Based Practice (3 semester hours) Introduction to Evidence Based Practice (EBP)/Evidence Based Medicine (EBM). A review of current theories, methods and techniques in the application of therapeutic modalities and a critical review of the evidence in support of these clinical practices. (*taught in online format fall semester 2005-2013*)

HHE 488 Internship in Community Health (1-12 semester hours) Directed internship in a community health agency, business, clinic, or other health-related setting; observation and on-the-job experience through direct participation. (*taught fall and spring semesters 1998-2014*)

HHE 496 Independent Study in Health Education (1-6 semester hours) Independent study of research or practical applications in any area of health education. (*taught fall and spring semesters 1998-2014*)

HHE 596 Independent Study in Health Education (1-6 semester hours) Designed to provide the opportunity for independent research in any area of health education. (*taught fall and spring semesters 1998-2014*)

HHE 597 Health Promotion In The Clinical Health Care Setting (3 semester hours) Integration and application of the principles of health education and health promotion in the patient care setting. (*taught in online format fall 2006-2013*)

• HONORS AND AWARDS •

Joseph S. Rowland Teaching Excellence Award, The University of Alabama College of Human Environmental Sciences, 2003

Graduate Student Research Award, Southern Academy of Women in Physical Activity, Sports, and Health, 1997

Outstanding Young Women of America, 1997

Most Outstanding Student, Graduate Program in Athletic Training, The University of Alabama College of Education, 1997

Most Outstanding Student, East Carolina University Department of Health, Physical Education, Recreation, and Safety, 1989

Ed Block Undergraduate Scholarship, Mid-Atlantic Athletic Trainers' Association, 1988

June P. Galloway Scholarship, North Carolina Alliance for Health. Physical Education, Recreation, and Dance, 1988

Gravely Scholarship, East Carolina University Department of Health, Physical Education, Recreation, and Safety, 1987

Sayers J. Miller, Jr. Scholarship, National Athletic Trainers' Association, 1987
